and Psychiatry

SCUOLA DI
PSICOTERAPIA e
FENOMENOLOGIA
CLINICA

Director of the Course

GIOVANNI STANGHELLINI (*Chieti, I*)

MD and Dr. Phil. h.c., psychiatrist and psychotherapist, Full Professor of Dynamic Psychology and Psychopathology at Chieti University (Italy). Co-editor of the Series "International Perspectives in Philosophy and Psychiatry". Founding chair of the World Psychiatric Association Section on "Psychiatry and the Humanities" and of the European Psychiatric Association Section "Philosophy and Psychiatry". Director Scuola di Psicoterapia e Fenomenologia Clinica (Florence). He has published extensively in phenomenological psychopathology.

Faculty Members

ANDREA FIORILLO (*Naples, I*)

MD, PhD, associate professor in psychiatry at the University of Naples SUN, Italy. He has been very active among early career psychiatrists worldwide, promoting education, mentorship and networking in his quality of President of Italian young psychiatrists, Chairman of the Early Career Psychiatrists Committee of the European Psychiatric Association and area coordinator of the Early Career Psychiatrists' Council of the World Psychiatric Association. He is currently Secretary of the WPA Section on Education in Psychiatry and Vicepresident of the Italian Society for Social Psychiatry. He has authored more than 100 scientific papers and several books in the field of mental health.

MADS GRAM HENRIKSEN (*Copenhagen, DK*)

MA, PhD, post-doctoral researcher at the Center for Subjectivity Research and Psychiatric Center Hvidovre, University of Copenhagen. He has a dual background in philosophy and psychiatry, and his research focuses primarily on schizophrenia spectrum disorders, psychopathology, phenomenology, and philosophy of psychiatry. He has authored several publications on self-disorders, schizophrenia, delusion, hallucination, insight into illness, collective intentionality, authenticity.

ANDREA RABALLO (*Oslo, N*)

MD, PhD, psychiatric consultant at the Department of Mental Health and Pathological addiction of Reggio Emilia (Italy) and affiliated researcher to the Mental Health Center Hvidovre, University of Copenhagen (Denmark). He is Secretary of the section for Clinical Psychopathology of the World Psychiatric Association, and member of the editorial board of Philosophy, Ethics and Humanities in Medicine and Frontiers in Psychopathology. He has authored several publications on the phenomenology of vulnerability to psychosis and participated to the pan-European interdisciplinary research and dissemination platform "Disorders and Coherence of the Embodied Self" (Marie Curie RTN DISCOS). On behalf of the EPA Academia for Excellence in European Psychiatry he has directed CME courses on cinema and psychopathology and the clinical assessment of psychosis-proneness.
